

US 231 Relocation Study Community Advisory Committee (CAC) Evaluation

In order to improve future community advisory committees, we would appreciate it if you complete this evaluation sheet and return it to a member of the project team before you leave tonight. Thank you for your assistance.

1. Below are stated goals of the Community Advisory Committee. Circle an X to indicate the degree to which you feel each goal was attained in relationship to yourself, not the group as a whole.

| | Clearly attained | | Neutral | Clearly <u>not</u> attained | |
|--|------------------|---|---------|-----------------------------|---|
| a. To increase CAC members' knowledge of the transportation planning process. | X | X | X | X | X |
| b. To gather data and insight regarding community issues and impacts. | X | X | X | X | X |
| c. To share information regarding the project via CAC members, in order to develop public understanding/involvement. | X | X | X | X | X |

2. The material presented was clear and understandable. ___ yes ___ no (Please explain.)

3. Do you feel that the information shared at CAC meetings was meaningful to you? Why or why not?

4. What information do you feel was most meaningful to you and why?

5. Please comment on the role the CAC played in project development. (Did it meet your expectations? Do you feel it had an impact on the project development process?)

6. What do you feel should be changed or could be improved upon in future CAC processes? Please explain.

7. I WOULD / WOULD NOT (circle one) recommend creating a community advisory committee for other transportation projects. Please explain.
